OPENING NIGHT by Norm Foster
Lloydminster Little Theatre presents Opening Night by Norm Foster, a comedy.
What happens when opening night goes spectacularly wrong?

The curtain is about to rise, the audience is waiting, and the actors are readyor at least they think they are. In Norm Fosters hilarious comedy Opening Night, backstage nerves, unexpected mishaps and larger-than-life personalities collide in a theatrical evening where anything can happen.

If youve ever wondered what really goes on behind the curtain, this is your chance to find out!

About the Show
The madcap antics start as Jack and Ruth Tisdale celebrate their twenty-fifth wedding anniversary with an evening at the theatre. Its a dream come true for Ruth and an imposition for Jack who would rather be at home watching the World Series. However, after the events both on and off the stage that fateful night, their lives and those of all of those involved are irreparably altered.

GREAT Christmas gift ideas made in our very own Legacy Workshop ... Stop in and check them out!
